

## 2010 SEWER LINING PROJECT

### Sewer Lining Program, Area 1 - North

Dear Resident/s:

The Department of Water Management is scheduled to work on a sewer lining project in your area starting on **Monday, July 26, 2010**. This project will rehabilitate the existing sewer and catch basin drain pipes in your area without the conventional digging method. This sewer rehabilitation will minimize, if not eliminate, street cave-ins due to sewer collapses. In addition, it will bring better drainage to your area and alleviate flooding during heavy rain. It is part of Mayor Richard M. Daley's commitment to Chicago citizens to maintain and upgrade Chicago's infrastructure. The following information should answer questions you may have about the project.

#### **Boundaries**

The Sewer and catch basin drain pipes **on W. Roscoe St. From N. Clark St. To N. Halsted St.** will be lined by a private contractor with resin impregnated liner bags. **Daily work starts at 7:00 A.M. and is expected to end at 7:00 P.M.** This project is expected to be completed by the end of August, 2010.

#### **What to expect**

During the sewer lining work, it will be necessary to close lanes of these streets to ensure public safety during work hours. Equipment and materials will be on the street during the work. If necessary, detours and alternative bus stops will be posted. **To prevent odors in your home, please pour two to three cups of water into each basement floor drain.** During the sewer lining work, please restrict your water usage as much as possible. A City Engineer will be on site during the work to answer any questions from the residents.

Any damages in the area as a result of the sewer lining work will be restored to its pre lining state. However, the Department of Water Management does not assume responsibility for damage to privately installed parkway improvements, including: sprinkling systems, fences, flower beds and shrubbery. Sewer lining *Is Not Complete* until damaged sidewalks, parkways and streets have been repaired.

**If you have additional questions, please call 311**

**CITY OF CHICAGO**  
**RICHARD M. DALEY, MAYOR**
