## FREQUENTLY ASKED QUESTIONS ABOUT CHICAGO CITY STICKERS

### What is residential parking?

Throughout the city there are residential parking zones designed to help ease congestion and make parking easier for residents in that zone. Signs posted in these zones alert you to the zone number and parking restrictions. You can only park on these streets if you have a city sticker with that specific zone number listed on it or you receive a guest parking pass from a resident of that parking zone.

### What is a guest pass?

Guest passes are used in residential parking zones by guests of someone who lives in that zone. They are valid for 24 hours and sold in sets of 15 for \$8. These passes are available for purchase at City Clerk office locations. Up to 30 passes (2 sets) of passes may be purchased per address in a 30 day period.

### What if I move to a new residential parking zone?

If you move to a new zone before June 1, you must bring your city sticker in whatever condition along with your original receipt to a City Clerk office location along with proof of current address. We will then transfer your sticker to the new zone. There is a \$10 fee for this.

### What if I buy a new vehicle before my sticker expires?

You must bring in the sticker from your old vehicle along with your new vehicle title information to any City Clerk office location. We will transfer your vehicle sticker to your new car. There is a \$20 fee for this service and it must be done within 30 days of purchasing the new vehicle.

### What do I need to do if I just bought my first vehicle?

You have 30 days from the date you purchase the vehicle to get a new city sticker. You must bring in your vehicle title information to a city sticker sales location. You can have temporary plates on your vehicle at the time of your city sticker purchase.

### What if I just moved to Chicago?

You have 30 days from the day you move to Chicago to purchase a city vehicle sticker. You do not need an IL license plate or IL driver's license to purchase a city sticker. To avoid a late fee, bring a copy of your lease or mortgage and your driver's license to any sales location within 30 days of moving here. A list of pro-rated fees can be found at [chicityclerk.com](http://chicityclerk.com).

### Where do I renew my drivers license or license plate sticker?

Your driver's license and license plate sticker are done at the Secretary of State's office. You can find more details about their services at [cyberdriveillinois.com](http://cyberdriveillinois.com) or by calling 1-800-252-8980.
