

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

NEW WORK ACTIVITY DAILY PARTIAL-ALLEY CLOSURES

Dates: Weekdays Only
Monday, March 2 to Friday, March 16, 2026

Location: The alley behind
- 3246 N. Clark Street

- 3335 – 3351 N. Sheffield Ave

Work Hours: 8am to 4pm

Work Activity: ComEd Maintenance – Customer Connections Transfer

Local Impact:

- Crews and equipment will be present in the alley.
- Through traffic will be restricted in the north/south alley east of N. Sheffield Ave. at the CTA Tracks when the work zone is at that location.
- Access to the alley for unimpacted addresses south of 3335 N. Sheffield will be maintained through School St.
- Vehicles will be unable to enter/exit the alley and garages/parking spaces at the work location during stated work hours. Cars parked adjacent to the noted alleyways within work zone must be removed during work hours by 8 am.
- The contractor will provide alternate parking for residents with dedicated parking accessed via the alleyway. If you need further information about alternate parking, please contact the contractor, Walsh-Fluor, at cpoole@walshgroup.com.
- Residents at 3335, 3341, 3343, 3347, 3349, and 3351 N Sheffield may experience temporary interruptions in power during noted work hours, and additional notice will be coordinated as needed.
- The Contractor will coordinate continued garbage and recycling pick up.
- There will be noise while work is being performed:
 - General construction noise
